About This Collection

We need to write a short description (60-90 words) for an adult photo gallery based on scrambled site captions. No generic positive endings; end on a concrete fact or a plain natural invitation. Use "to" not "in order to". Use "because" not "due to". No em or en dashes; can't use dash. Must be in same language as title: English. Must reuse at least 20% of key words from captions, and include exact words: king, jehoshaphats, prayer, bible, backed, steps, trade, panic, peace, versenotes, what, intercessory, standing, brittany, rust. Must not use "not only X but Y". We need to ensure these words appear somewhere in description. Title: "8 prophetic prayer watches". Must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No "At its Core". No forced groups of exactly three items. Must not use prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold text. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length, state things directly, keep claim supported by captions.

We must produce 60-90 words. Let's aim ~70 words.

We need to incorporate the required exact words: king, jehoshaphats, prayer, bible, backed, steps, trade, panic, peace, versenotes, what, intercessory, standing, brittany, rust.

We need to ensure we don't use prohibited words like "showcased" maybe okay? Avoid "it is important to note". Avoid "moreover". Avoid "vibrant". Avoid "additionally". Avoid "not only". Avoid forced groups of exactly three items: we must not have exactly three items in a list separated by commas? Avoid "pivotal". Safer to avoid lists of three. It's not prohibited. "Likely means avoid listing three items as a group (like "A, B, and C")? Avoid "crucial". Avoid "furthermore". Avoid "At its core". Avoid "showcase". Avoid "serves as". Avoid "boasts". Use two items or more than three.

We must not use em or en dashes; we can use commas.

We need to end with a natural invitation to view the full gallery via the link above. Must be concrete fact or plain natural invitation. "That's a plain natural invitation." is okay. That works.

Now we need to ensure we don't use prohibited words like "generic positive endings". "See the full gallery above." is fine.

Now produce description ~70 words.

Let's craft:

"King Jehoshaphats prayer offers bible-backed steps to trade panic for peace, exploring what intercessory prayer means and standing in the gap. Brittany Rust explains the concept in VerseNotes, linking the eight prayer watches to daily devotion. See the full gallery above."

Now count words.

Count manually:
